From Rivonia Road

Directions from the airport

- OR Tambo International Airport, take the R24 towards Johannesburg.
- Continue on this highway and you will get to the point where the highway is about 6 lanes wide - you want to be in the middle lane.
- Follow pointers to the N3 going to Pretoria.
- Travel on N3, go past the London Road off ramp and take the next off ramp - Marlboro Drive off ramp.
- Turn left at the end of the off ramp and travel up Marlboro Drive.
- You will come to a traffic light intersection that has a Shell petrol station on both sides of the intersection - at this intersection turn right into South Road.
- Stay on South Road for quite a way. It eventually ends in a T-junction with Rivonia Road.
- At the T turn left into Rivonia road (you will now be travelling South towards Sandton City). Go through a traffic light where Cell C is on your left and the Morningside Clinic is on your right.
- Turn left into the very next road - Marion Road. (If you reach the traffic lights at the intersection of Rivonia and Grayston you have gone too far.)
